

## **DEFGLIS COVIDSafe PLAN**

In DEFGLIS, there is nothing more important than the safety of our membership and their guests. Accordingly, we plan for and execute DEFGLIS events and activities in line with the latest Australian Government and relevant State Government guidelines and advice.

So that we are able to keep everyone as safe as is reasonably possible, we provide this COVIDSafe Plan, which outlines the requirements of our membership and their guests when attending DEFGLIS events and activities. Importantly, this document is to be read in conjunction with the latest Australian Government and relevant State Government advice.

### **REQUIREMENTS OF YOU AND YOUR GUESTS**

#### *Prior to the Event*

1. If you or anyone of your guests has flu like symptoms, has been in direct contact with a known positive COVID-19 case, has returned from overseas in the past 14 days or resides in or has visited a COVID-19 hotspot, we ask that you do not attend a DEFGLIS event or activity.
2. If you or your guest meets the above criteria, you should stay home and follow government guidelines to isolate and get tested.
3. We recommend that prior to attending a DEFGLIS event or activity, you and your guests download the COVIDSafe application for your mobile telephone.

#### *On Arrival*

4. Before entering a DEFGLIS event or activity held at a venue, we ask that you comply with the requirements of that venue and that you register your attendance using the assigned QR code or other tracking mechanism so that it may be used by health authorities to conduct contact tracing.

#### *Throughout the Event*

5. We will have hand sanitiser available at all DEFGLIS events and activities. Please make sure to use these regularly throughout the event or activity.
6. Please ensure that you maintain a distance of 1.5m and where this is not practicable, we recommend the use of a facemask.
7. We strongly recommend that you run the COVIDSafe App on your mobile telephone.
